Farm Camp

June 19th - 22nd, 2012

GET BACK TO YOUR ROOTS!

PROGRAM DETAILS AND REGISTRATION

The Kensington Farm Learning Center is offering children age 8-13 the opportunity to participate in a unique summer program. Participants in the Farm Center's Farm Camp will experience the sights, sounds, and smells of a real, working farm. Campers will be transformed into farmers as they participate in daily farm chores!

WHAT WILL THE KIDS DO?

Every day will offer a new adventure. Campers will participate in daily farm chores as well as various organized activities. This camp is very much hands-on and provides children with farm experiences that will leave a lasting impression. Planned activities may include:

- Outdoor adventures such as rock climbing, nature hikes, and a scavenger hunt.
- Variety of craft projects that will stimulate your child's creativity, such as candle dipping, T-shirt prints, and many others.
- Experience life as a pioneer. Participate in an old-fashioned barn raising; learn rope skills and teamwork.
- Experience the life cycle of a chicken, first hand, by watching eggs hatch in the Farm Center's incubator.
- Hand-milk a cow and help prepare a dairy product, such as ice cream.
- Participate in old-fashioned games such as sack races, egg toss, straw-bale rolling, and needle in the haystack.
- Meet the farm's draft horses up close, and personal. Learn how to groom and care for these "gentle giants." Experience a horse-drawn hayride and hand-plowing the fields with one of the farm's teams.
- Help maintain one of the Farm Center's several garden areas.

The Farm Camp runs for 4 - days only
