This program is especially for the little ones. Any age is welcome, but children 2 to 5 years old will truly love this visit.

Each date has a central theme† to experience on the farm. Kids will enjoy colouring pages, a story time, a simple take-home craft and an activity all based on that theme. Children and their parents, grandparents or other caretakers will **get a chance to visit with, feel and hear** the central thematic element, be they giant horses, cuddly baby animals or rumbly farm tractors. All this packed into just the right amount of time at just the right time of day. **Come join the fun!**

**The special October 25th Halloween Party is \$5 per child and 2 hours long.*

†For themes, please see Kensington Farm's 2012 guide, available at www.metroparks.com
