## Fact Sheet

### What We Are Planning:

Fireworks at the Metroparks is a five county celebration that has been a tradition for years that provides a safe and exciting way for the community to celebrate our nation's birthday, while enjoying the natural beauty of the Metroparks. Each Fireworks display begins at dusk and lasts approximately 90 minutes. Joining us again in 2017 will be the Greenwood Farms Clydesdale Horses and multiple hospitality vendors.

The fireworks shows are the crown jewel of events for our parks and are very popular for all ages. In 2017, the Metroparks will also be celebrating its 75<sup>th</sup> year!

### Where and When:

Seven Metroparks will each host Fireworks events in 2017. The 2017 Fireworks at the Metroparks will be held on the following dates and locations:

- Friday, June 23 - Stony Creek Metropark, Shelby Township
- Saturday, June 24 - Kensington Metropark, Milford
- Sunday, June 25 - Lake Erie Metropark, Brownstown
- Wednesday, June 28 - Hudson Mills Metropark, Dexter
- Thursday, June 29 - Indian Springs Metropark, White Lake
- Friday, June 30 - Lake St. Clair Metropark, Harrison Township
- Saturday, July 1 - Willow Metropark, New Boston

### Who Benefits:

The Metroparks welcomes visitors of all ages, uniting urban and suburban residents through outdoor enjoyment. Thousands of southeast Michigan residents gather each evening for the annual Fireworks at the Metroparks. Many come in early to save a spot and share a picnic dinner prior to the event. In 2015, overall attendance was greater than 88,000!

### Nonprofit:

Metroparks Foundation is a 501(c)3 nonprofit organization; EIN: 22-3898436.
