Subject: Leased Property – North Metro Pkwy, west of M-53 at the Clinton River
NPDES Permit Compliance

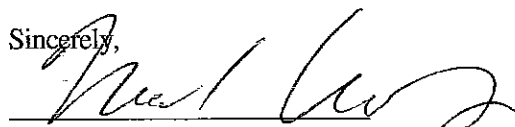

Dear Lessee:

The Michigan Department of Environmental Quality (MDEQ) has requested that we contact all municipalities who currently lease property from the Huron-Clinton Metropolitan Authority (HCMA) to inform them that a National Pollutant Discharge Elimination System (NPDES) Permit may be required for the discharge of storm water from these leased properties.

If your municipality leases land which is within an Urbanized Area, as defined by the 2000 census, and if this land contain storm water conveyance(s), then the leased land must be covered under your municipality's Storm Water Permit.

If you have any questions concerning the Storm Water Permit, information can be obtained from the MDEQ's website at <http://www.michigan.gov/deq>. If you have questions regarding this letter or property leased, please contact Andrew Caulk at (810) 227-2757, ext 5154.

Sincerely,
