

# OWL FEST

Lake St. Clair Metropark Nature Center

**April 6, 2019 from 11 a.m. - 4 p.m.**

Come and celebrate 28 years of **Great Horned Owls nesting in the park.** During Owl Fest we have a variety of free programs to enjoy. Go on a guided walk for a chance to view our Great Horned Owls through a spotting scope. Learn about all the species of owls in Michigan and make an owl caller.

Also, **Joe Rogers from the Wildlife Recovery Association** is bringing live owls and other birds to the Nature Center. This is sure to be an exciting and engaging program for ages 5 and up. Cost is \$5 per adult and \$3 per child. **Please call for times and to preregister.**
