

# APPENDIX 3: PICNIC FACILITIES MAPS

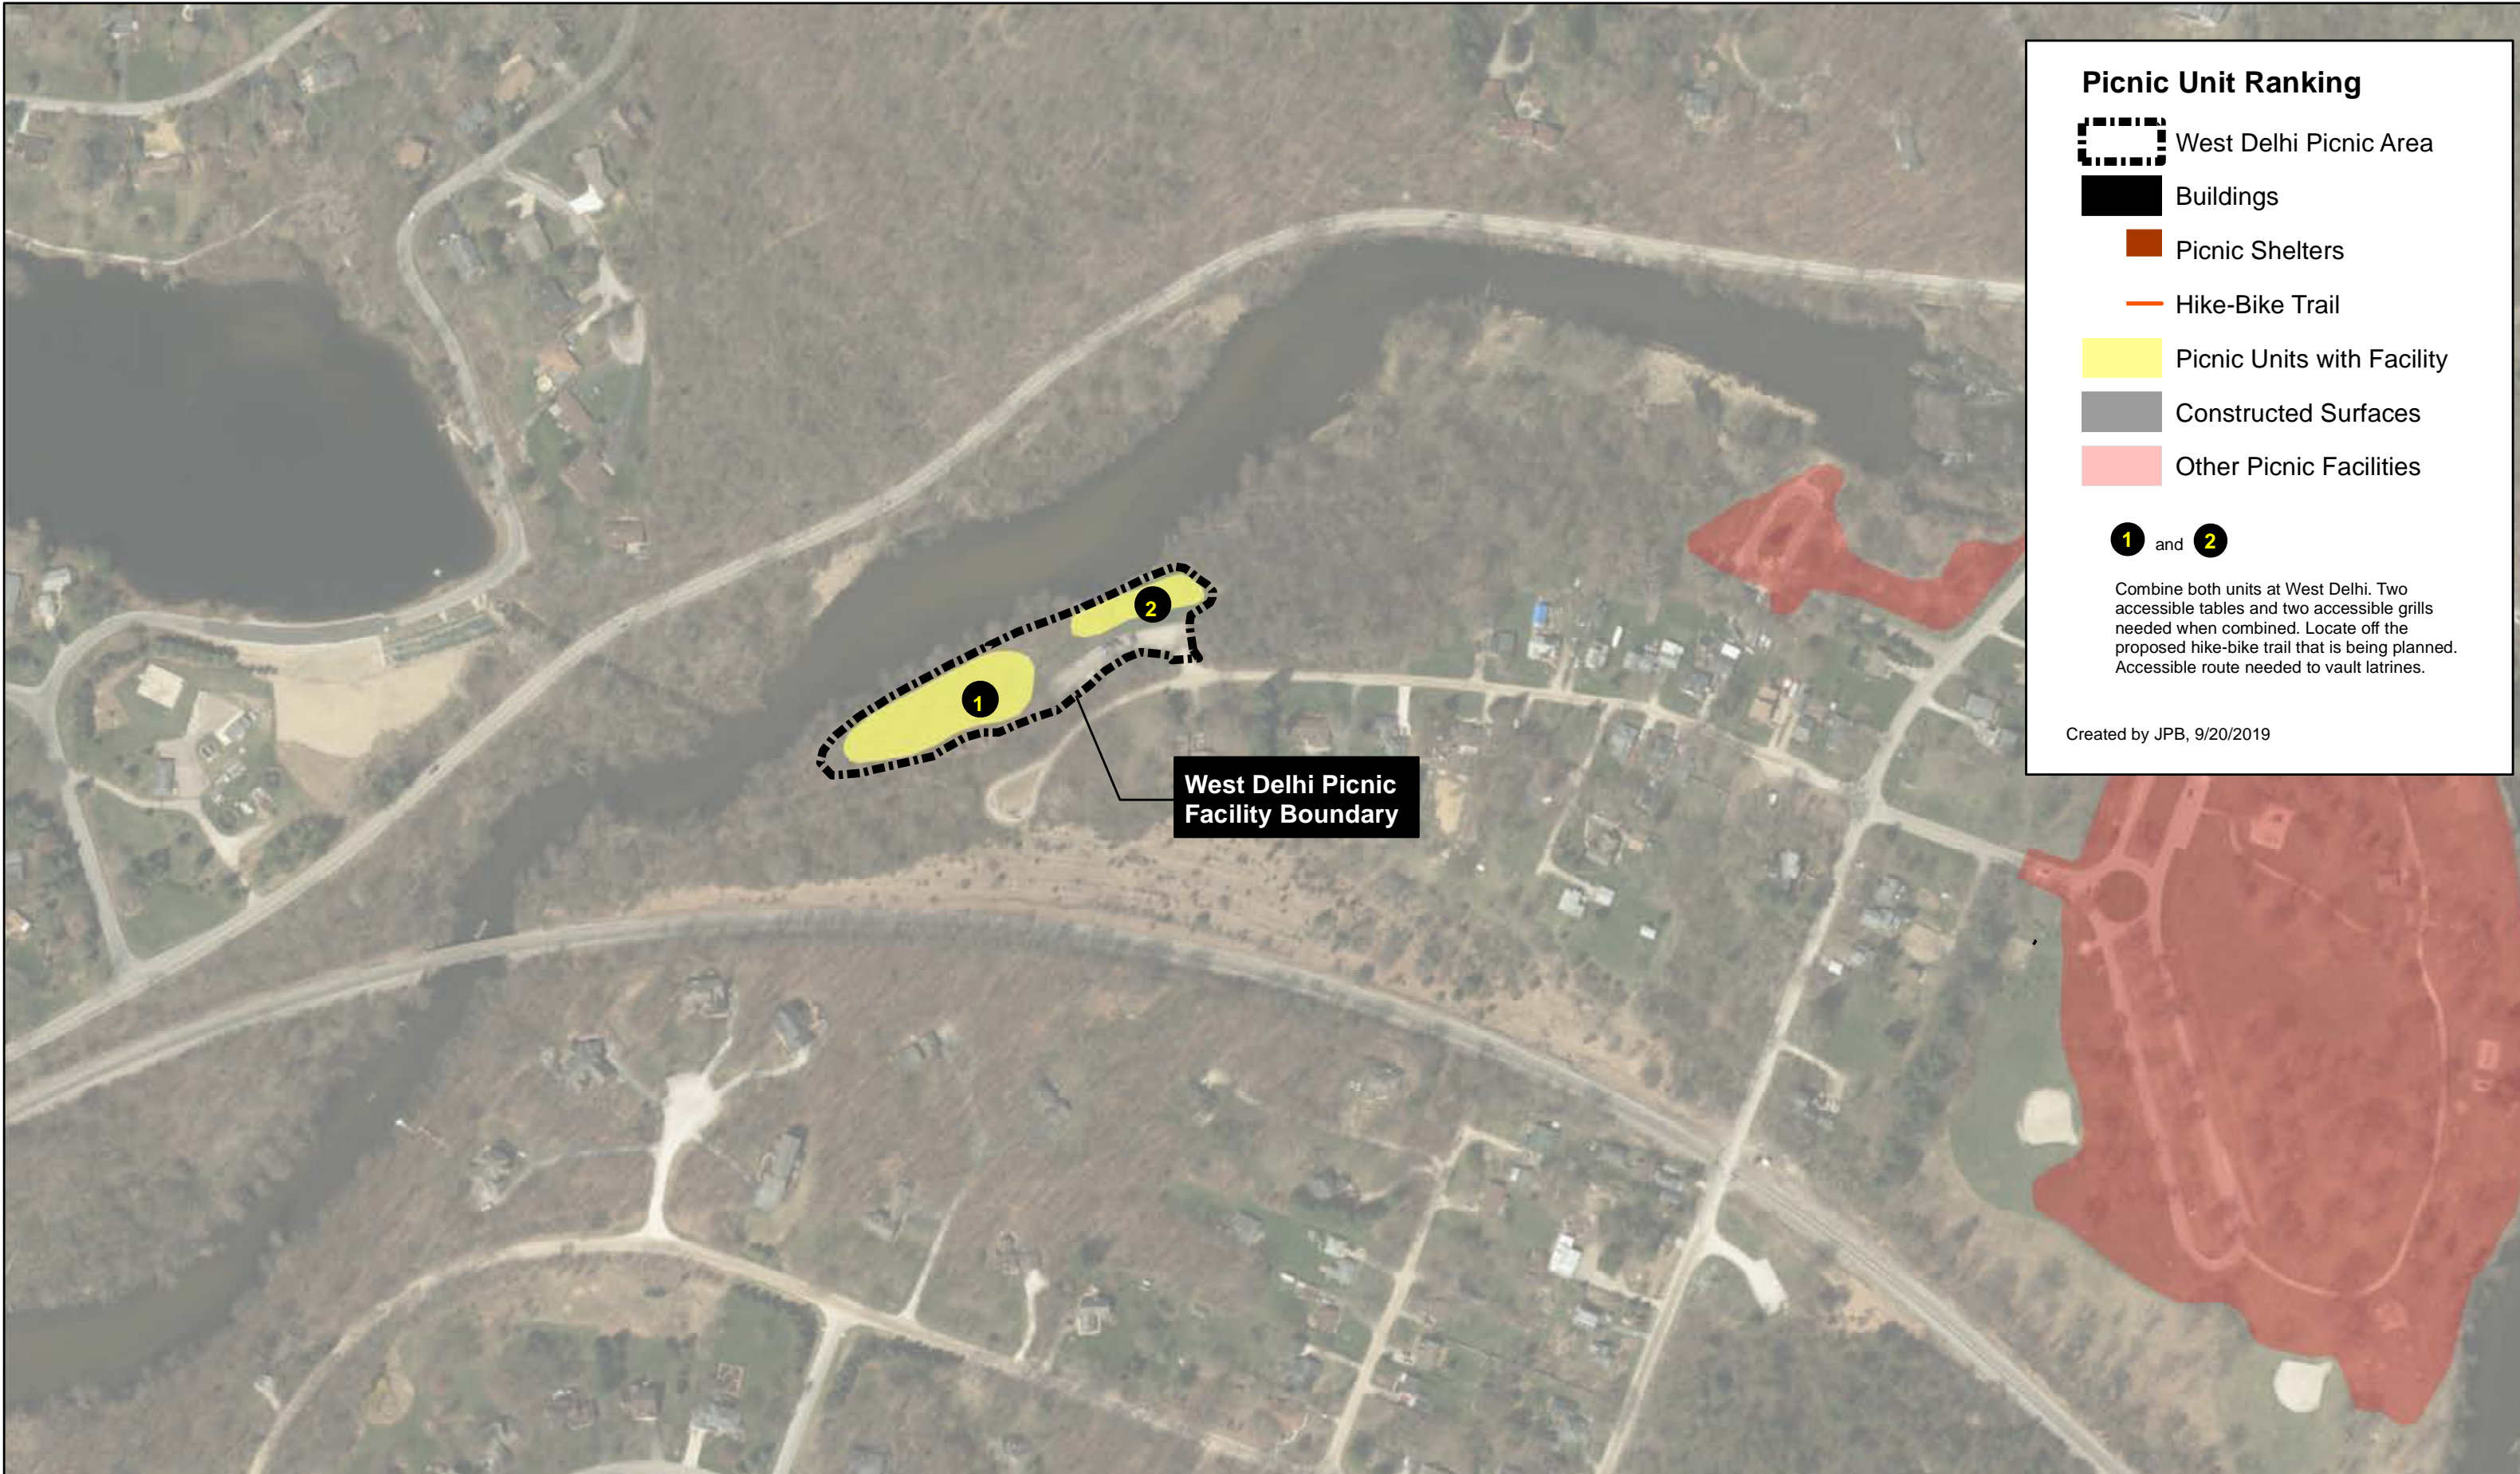

### Picnic Unit Ranking

- East Delhi Picnic Facilities
- Buildings
- Picnic Shelters
- Proposed Accessible Route
- Hike-Bike Trail
- Picnic Units with Facility
- Constructed Surfaces
- Other Picnic Facilities

- 1** The West Picnic Shelter (A) is the only picnic shelter in the area. Count some tables surrounding shelter when calculating necessary accessible table ratio under shelter. An accessible grill is needed and should be located closer to shelter.
- 2** Count some tables w/ shelter unit and increase ADA table ratio under shelter. The remaining tables and grills can remain as is, won't be an accessible picnic area.
- 3** Combine picnic units 2 and 3. Two accessible tables and grills needed when combined. Locate close to playground with connected access to restrooms and parking.
- 4** Combine picnic units 2 and 3. Two accessible tables and grills needed when combined. Locate close to playground with connected access to restrooms and parking.
- 5** Two accessible tables and grills needed. Locate off the proposed hike-bike trail that is being planned.
- 6** Two accessible tables needed. The grill needs to be accessible. This unit was added because of the baseball field.

Created by JPB, 9/20/2019

**Picnic Unit Ranking**

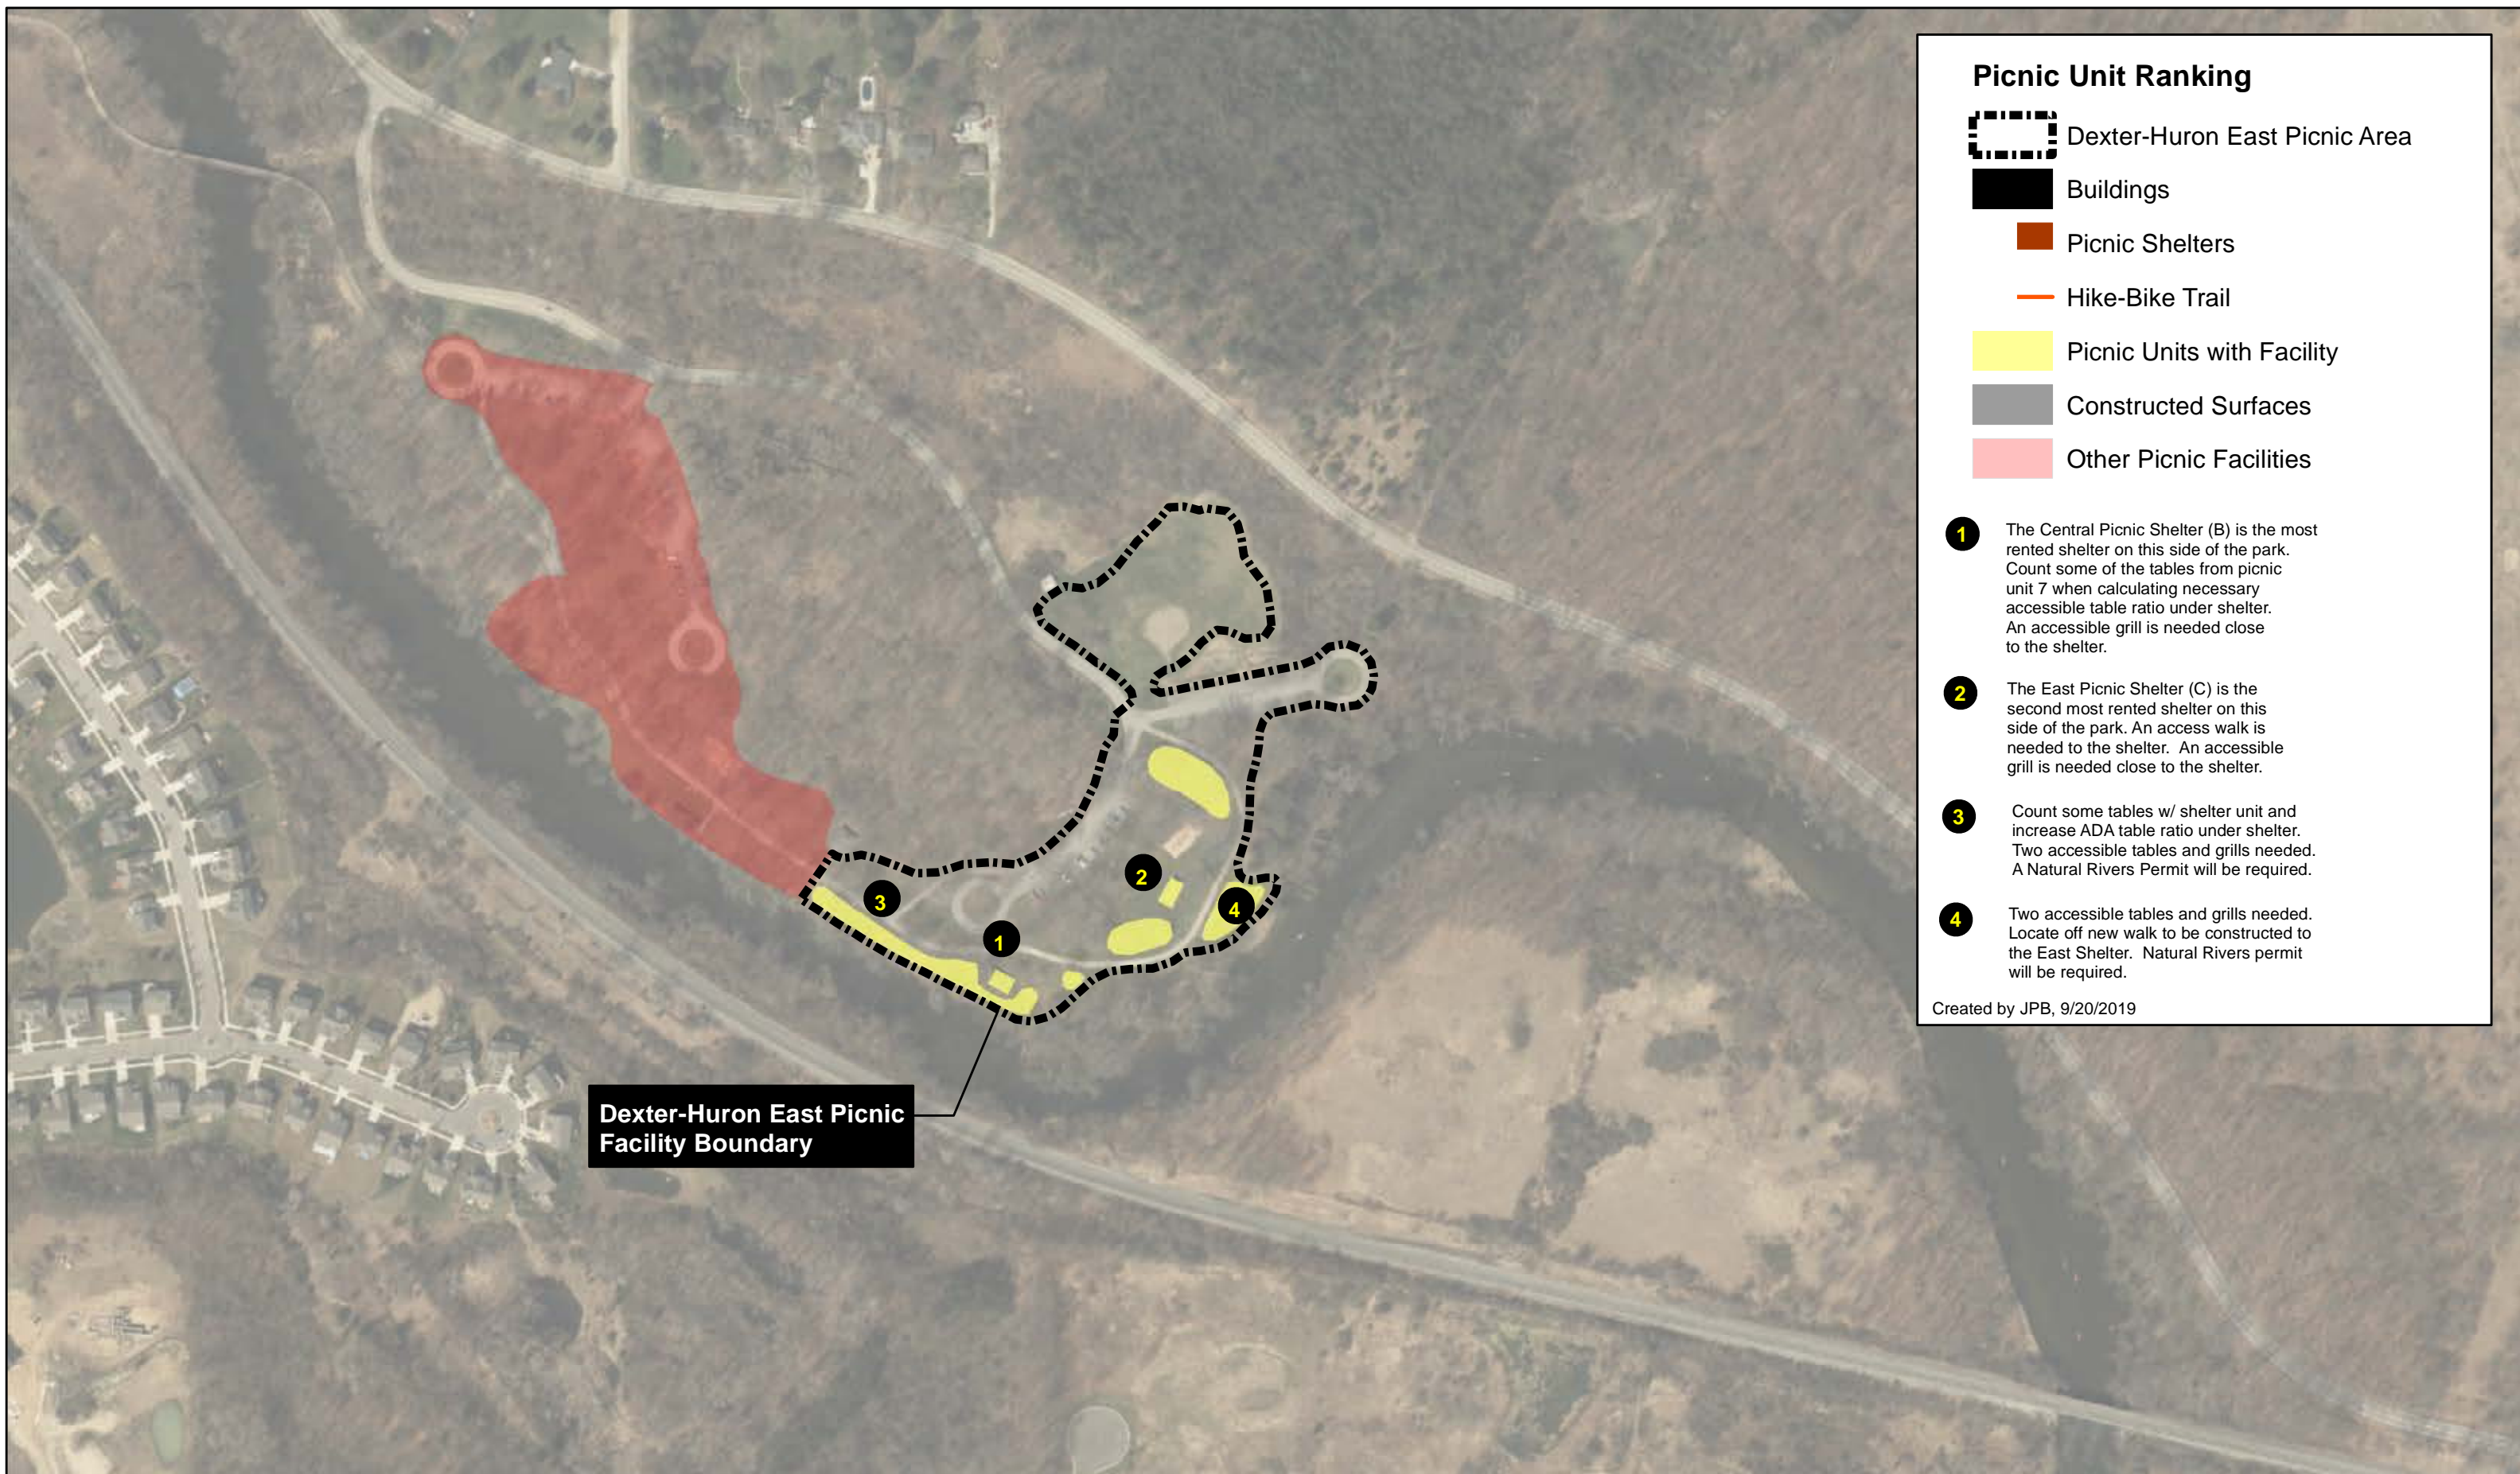

-  West Delhi Picnic Area
-  Buildings
-  Picnic Shelters
-  Hike-Bike Trail
-  Picnic Units with Facility
-  Constructed Surfaces
-  Other Picnic Facilities

**1** and **2**

Combine both units at West Delhi. Two accessible tables and two accessible grills needed when combined. Locate off the proposed hike-bike trail that is being planned. Accessible route needed to vault latrines.

Created by JPB, 9/20/2019

## Picnic Unit Ranking

 Dexter-Huron East Picnic Area

 Buildings

 Picnic Shelters

 Hike-Bike Trail

 Picnic Units with Facility

 Constructed Surfaces

 Other Picnic Facilities

- 1** The Central Picnic Shelter (B) is the most rented shelter on this side of the park. Count some of the tables from picnic unit 7 when calculating necessary accessible table ratio under shelter. An accessible grill is needed close to the shelter.
- 2** The East Picnic Shelter (C) is the second most rented shelter on this side of the park. An access walk is needed to the shelter. An accessible grill is needed close to the shelter.
- 3** Count some tables w/ shelter unit and increase ADA table ratio under shelter. Two accessible tables and grills needed. A Natural Rivers Permit will be required.
- 4** Two accessible tables and grills needed. Locate off new walk to be constructed to the East Shelter. Natural Rivers permit will be required.

Created by JPB, 9/20/2019

## Picnic Unit Ranking

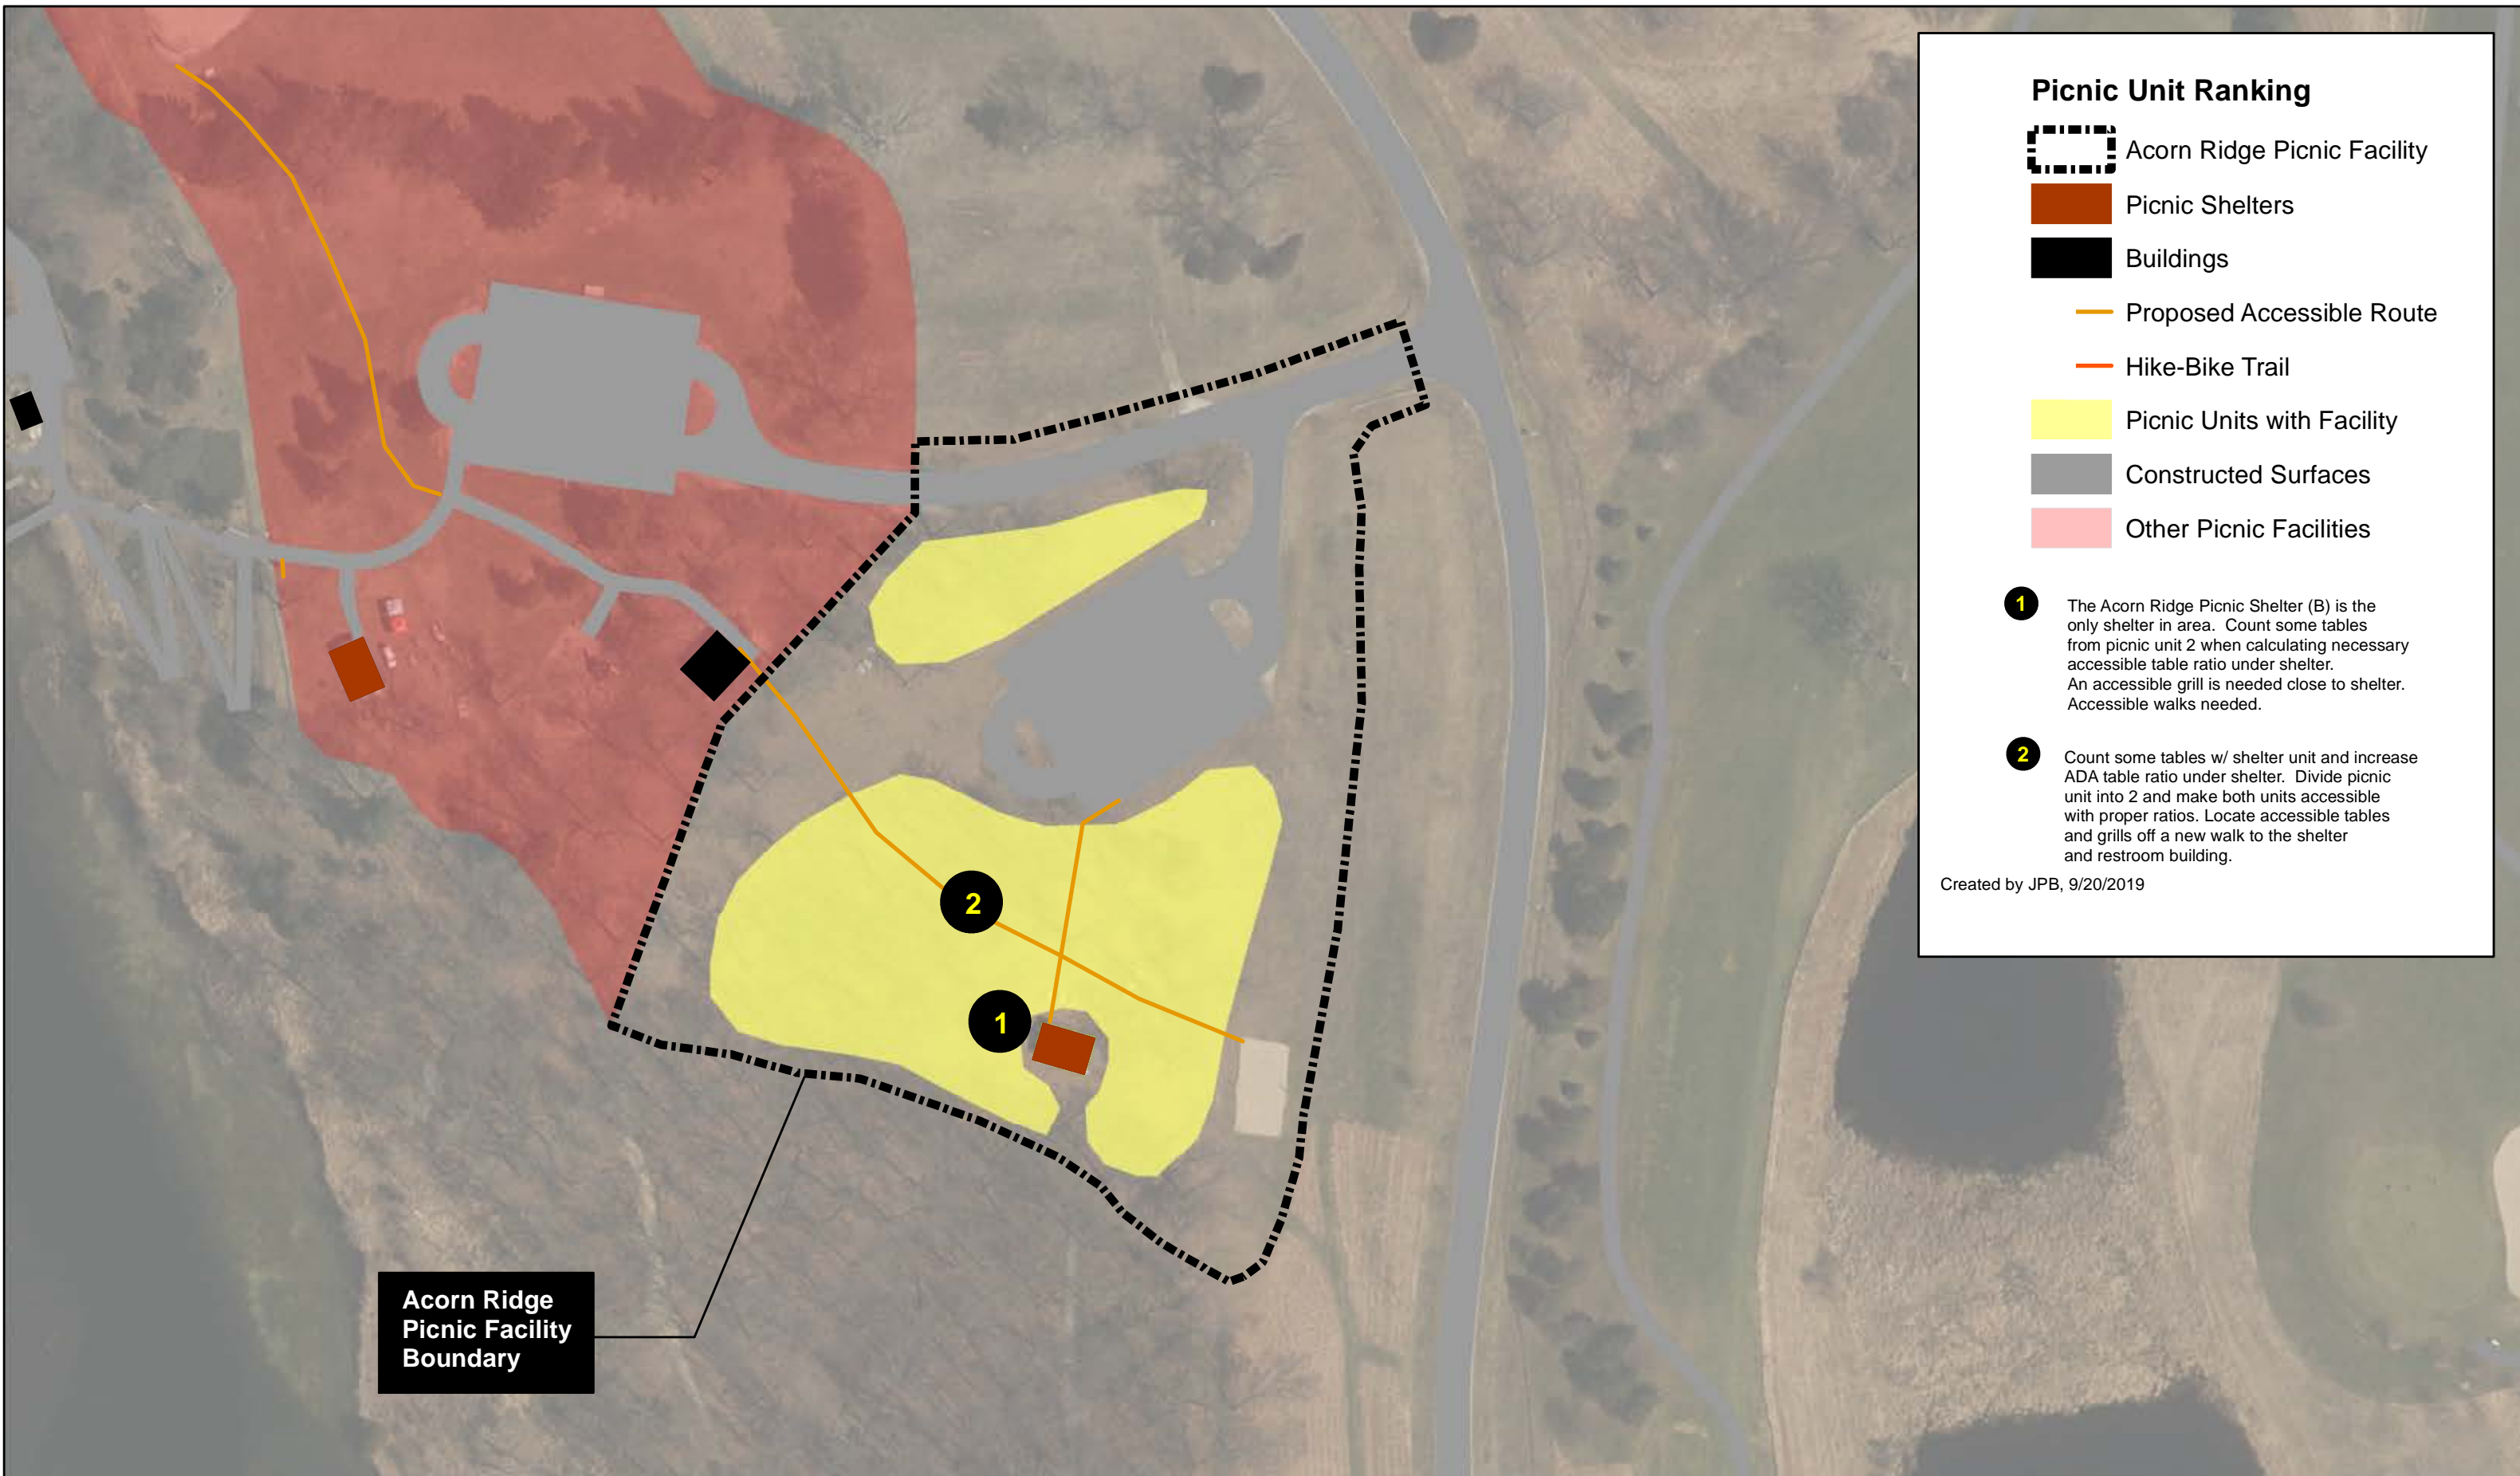

- Dexter Huron West Picnic Area
- Buildings
- Picnic Shelters
- Hike-Bike Trail
- Proposed Accessible Route
- Picnic Units with Facility
- Constructed Surfaces
- Other Picnic Facilities

- 1** The West Picnic Shelter (A) is the most rented shelter on this side of park. Count all tables from unit 4 when calculating necessary accessible table ratio under shelter. Two long tables were counted as 6. Accessible grill needed close to shelter.
- 2** Two accessible tables and grills needed. Locate off the hike-bike trail. Natural Rivers Permit required.
- 3** Two accessible tables and grills needed. Locate off the new walk (Iron Belle Trail Grant) to be constructed from the west parking lot. A Natural Rivers Permit will be required.
- 4** Two accessible tables and grills needed. Locate off the new walk (Iron Belle Trail Grant) to be constructed from the west parking lot. A Natural Rivers Permit will be required.
