

GET OUT AND LEARN SCHOLARSHIPS AVAILABLE

FREE FIELD TRIPS

The Metroparks are offering scholarships for Get Out and Learn field trips. Qualifying schools must have at least 50% of their students eligible to receive the federal free and reduced lunch program. Schools apply online to bring students out for a rich, engaging, nature-connective experience at a Metropark Interpretive Center.

All programs support the Michigan Science Standards curriculum in content, methodology and technology use. A wide variety of programs are offered that support Common Core curriculum and STEM. Programs are offered for all grade levels.

TO APPLY:

1. Visit metroparks.com/getoutandlearn for program information.
2. Fill out the online application with the following information:
 - Contact information
 - Number of students / number of buses
 - Desired Interpretive Center to attend
 - Why you should receive the scholarship
