EAST LAKE TRAILS - 3 ½ MILES

The East Lake Trails consist of four connected trails marked with directional arrows. They provide a less traveled, more rustic walk.

REFLECTION TRAIL - ½ MILE

This is a short picturesque trail that explores Stony Creek's valley and reveals the underwater worlds of pond and stream.

LANDSCAPE TRAIL - 1 MILE

Featuring the natural forces that shaped the character of the area, this trail will lead you over an ancient glacial landscape.

HABITAT TRAIL - 2 ½ MILES

Along this winding course you will see a panorama of forest edge, broad fields, dense woods and small wetlands.

OSPREY TRAIL (RUSTIC TRAIL) - 1 ¾ MILES

The Osprey Trail gets its name from the osprey re-introduction program which took place at Stony Creek. This trail provides the best views of the osprey hacking tower and Stony Creek Upper Lake.
