## Introduction

### The Metroparks System

The Huron-Clinton Metropolitan Authority (Metroparks) is a regional park system serving Livingston, Macomb, Oakland, Washtenaw and Wayne Counties. It was created by Public Act 147 of Public Acts of 1939. Named after the two longest rivers within its boundaries, the Metroparks main purpose is to benefit the residents of southeastern Michigan by providing recreational opportunities, preserving the natural environment and educating the public about the culture and natural resources along the Huron and Clinton Rivers. Picnicking, nature study, hike-bike trails, scenic drives, golf, aquatics, interpretive and summer and winter sports are provided at most parks. The Metroparks are designed primarily for day use, although limited group and rustic family camping is available.

Thirteen Metroparks serve the public, covering nearly 25,000 acres within the five-county region. Most Metroparks are 1,000 or more acres. All are located on water, such as a river or lake. Most five-county residents are less than a half hour's drive from their favorite Metroparks. The larger Metroparks are designed to accommodate crowds more than 35,000 on peak use days and annual attendance is estimated at over seven million visits for the system as a whole.

### **Mission Statement:**

The Huron-Clinton Metropolitan Authority, a regional park system created in 1940 by the citizens of southeast Michigan, provides excellent recreational and educational opportunities while serving as stewards of its natural resources. Our efforts are guided by the belief to bring the benefits of parks and recreation to the people of southeast Michigan. All the people. All their lives.

### **Vision:**

To be a unifying force – and indispensable resources – in Southeast Michigan: One Region. One Metroparks. Endless Experiences.

## Organizational Structure

### Board of Commissioners

The governing body of the Metroparks is a seven-member Board of Commissioners. Two Commissioners, who serve as representatives at large, are appointed by the governor of Michigan and represent the Metroparks region as a whole. The remaining five Commissioners each represent one of the five member counties of Livingston, Macomb, Oakland, Washtenaw and Wayne. Commissioners are appointed by the Board of Commissioners of their respective member county.

The Board of Commissioners regularly scheduled Board Meetings are held the second Thursday of each month. Winter meetings are held at the Metroparks principal office (13000 High Ridge Drive, Brighton, MI 48114). Summer meetings are held at various Metroparks throughout the system.

Public notice of all meetings of the Board of Commissioners is given and posted as required in Act No. 267, Public Acts of 1976, as amended, or other applicable State law. Please check our website at <http://www.metroparks.com> for a current schedule and up-to-date information throughout the year.

The Board of Commissioners elect a Chairman, a Vice-Chairman, a Secretary and a Treasurer at the annual meeting of the Board of Commissioners (June). The term of each office is for one (1) year, expiring at the time of the following annual meeting of the Board of Commissioners or until their successors are elected. Following, are explanations of the roles and responsibilities of each Commissioner role, concluded by present-day information on those serving the authority as Commissioners.

**Roles and Responsibilities:****Board of Commissioners – Chairman**

The Chairman presides at all meetings of the Board of Commissioners, and also votes upon all resolutions as a Commissioner. He or she will sign, with the CEO, in the name of the Metroparks, all contracts and legal documents approved by the Board of Commissioners.

**Board of Commissioners – Vice-Chairman**

In the event the office of Chairman shall become vacant, in the absence of the Chairman or the Chairman's inability to discharge the duties of the office, such duties for the time being devolve upon the Vice-Chairman.

**Board of Commissioner – Secretary**

The Secretary consults with the CEO from time to time with respect to the Metroparks administrative affairs, and otherwise performs the customary duties of such office, and such other duties as the Board of Commissioners directs. The Secretary signs, with the Chairman, in the name of the Metroparks, all contracts and legal documents approved by the Board of Commissioners.

**Board of Commissioners – Treasurer**

The Treasurer consults with the Chief Financial Officer from time to time respecting the Metroparks financial affairs and otherwise performs the customary duties of such office pursuant to applicable law, and such other duties as the Board of Commissioners shall direct. The Treasurer shall provide the Metroparks with a fidelity bond to indemnify the Metroparks from any loss caused by any fraudulent or dishonest act on the part of the Treasurer. The premium for said bond shall be paid out of the funds of the Metroparks.

**Board of Commissioners:**

	<b>John Paul Rea</b> <i>Chair</i> Macomb County Representative	Macomb County Deputy County Executive, he is highly involved with comprehensive community and economic development initiatives throughout the county. An integral part of the capital improvement projects targeting infrastructure, transportation networks, non-motorized trails, regional transit and the economic development services by supporting business retention, expansion and attraction efforts.
	<b>Tiffany Taylor</b> <i>Vice-Chair</i> Governor Appointee	Taylor is the inaugural Chief People and Impact Officer at Global Silicon Valley Ventures and ASU + GSV Summit, an education technology-focused venture capital fund. She has a background in K-12 education and affordable housing development. As an active member of her community, Taylor currently serves on the board of directors of the Joyce Ivy Foundation, Black Family Development Institute Training, and Boys Hope Girls Hope of Detroit. She is also a community advisory panel member of Detroit Public TV and a commissioner for the Economic Development Corporation of Clinton Township.
	<b>Robert W. Marans</b> <i>Treasurer</i> Washtenaw County Representative	Research professor at the Institute for Social Research, University of Michigan and emeritus professor of architecture and urban planning. Served on the Metroparks Board since 1986. He is a charter member and president of the Washtenaw County Parks and Recreation Commission and currently serves on the board of the Detroit Riverfront Conservancy.
	<b>Stephen Pontoni</b> <i>Secretary</i> Governor Appointee	Since 2013, Pontoni has been the executive director of the Michigan Association for Justice. In addition, he is the director of the Mid-American Global Education Council, a nonprofit that hosts Model United Nations conferences for high school students. Pontoni is also vice-chair of the Coalition Protecting No-Fault, a member of the University of Michigan-Dearborn CASL Alumni Scholarship Committee, a board member of the Michigan Society of Association Executives, and a member of the executive committee for the National Association of Trial Lawyer Executives.
	<b>Bernard Parker</b> Wayne County Representative	Served 22 years as a Wayne County Commissioner. He successfully generated funding resulting in Chandler Water Park. He also initiated a crime prevention program resulting in a 50% reduction in youth incarceration. Parker has received numerous awards including the Spirit of Detroit Award in 2012 and an Honorary Doctorate of Humane Letters from Lewis College of Business.
	<b>Jaye Quadrozzi</b> Oakland County Representative	Attorney with more than 15 years of experience as a commercial litigator. Member of the State Bars of Michigan, Illinois, California and the Federal Trial Bar. Avid runner and Triathlete. Quadrozzi has been active within the Metroparks since her first job as a teenager at Lake St. Clair Metropark.
	<b>William Bolin</b> Livingston County Representative	Bolin was appointed by the Livingston County Board of Commissioners in August 2021 and term ends May 2027.

**Chief Executive Officer – Amy McMillan**

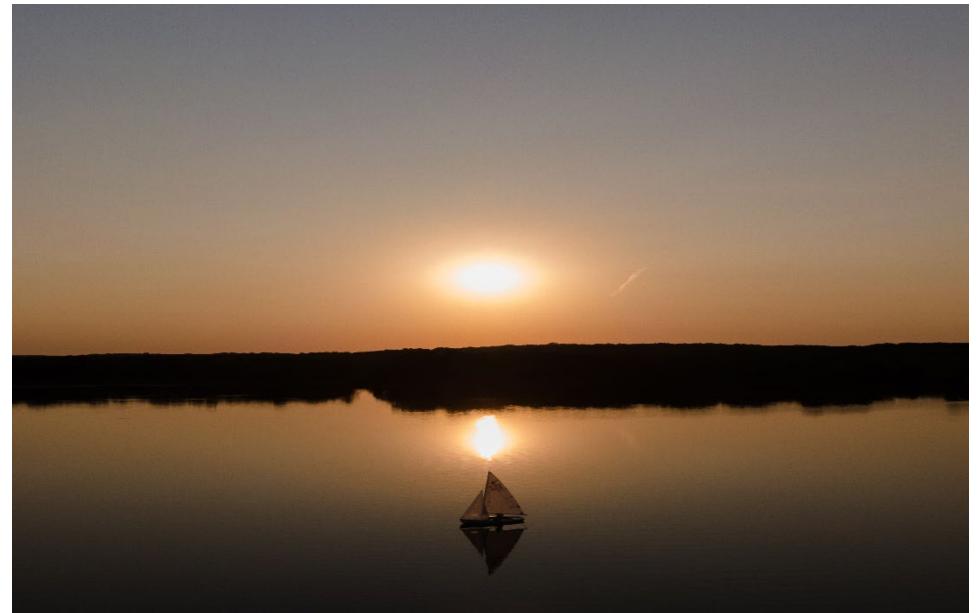

The Board of Commissioners appoint a chief executive officer of the Metroparks. The CEO shall hold the office at the will and pleasure of the Board. The CEO supervises, and is responsible for, the day-to-day operation of the Metroparks and provides general direction to the work and general management of all activities of the Metroparks. This, among other things, specifically includes being responsible for appointment or employment and discharge of all employees and for the direction of their activities. Management Personnel employment decisions are made in consultation with the Board of Commissioners, with emphasis on utilizing the expertise of members of the Board of Commissioners with special knowledge related to a position for which appointment is being considered. With the advice and consent of the Board of Commissioners the CEO may delegate to subordinates any of the duties assigned to the CEO. The CEO approves purchases and make certifications as are required or permitted under the purchasing authority and Metroparks bylaws. The CEO shall arrange for the recording of minutes of meetings of the Board of Commissioners and shall have custody of the minute book and of the corporate seal of the Authority as well as being the custodian of all records, except the financial records of the chief financial officer, and shall keep, at the office of the Board of Commissioners, and open to public examination all records, maps, charts, plans and documents pertaining to the work of the Authority. The CEO may co-sign on such bank accounts as the CFO may designate and provide the Authority with a fidelity bond to indemnify the Authority from any loss caused by any fraudulent or dishonest act on the part of the CEO. The CEO shall take such other actions and assume such other responsibilities as may be provided by federal and state law.

**Chief Operating Officer – Mike Lyons**

In accordance with the Bylaws the CEO shall appoint a chief operating officer of the Authority. The COO shall hold office at the will and pleasure of the CEO. The COO, under the immediate supervision of the CEO, is responsible for such responsibilities as shall be directed from time to time by the CEO. The COO may witness the signature of the CEO on contracts, leases, obligations, and other instruments which the CEO has been authorized to sign. In the event the office of CEO shall become vacant by death, resignation or otherwise, or in the event of the absence of the CEO or the CEO's inability to discharge the duties of the office, such duties, including the authority to execute and deliver contracts, leases, obligations, and other instruments approved by the Board, for the time being devolve upon the COO.

**Chief of Finance – Shedreka Miller**

Per the Bylaws, the CEO shall appoint a chief financial officer, subject to approval by the Board of Commissioners. The CFO shall hold office at the will and pleasure of the CEO. The CFO shall perform the usual duties of such office and such other duties as the CEO may direct or as are required by law. This, among other things, includes the following: (a) The CFO shall prepare an annual budget for the Authority containing an itemized statement of the estimated current operational expenses and the expenses for capital outlay including funds for the operation and development of all property and facilities of the Authority, including any amounts necessary to pay the obligations of the Authority maturing during the ensuing fiscal year, and an estimate of the anticipated revenue of the Authority from all sources for the ensuing fiscal year. (b) The CFO shall receive all money due the Authority from taxes, fees, charges and all other sources, and shall deposit all such money in such bank or banks, and in such separate accounts, as the CFO shall deem prudent and appropriate, subject to the approval of the Board of Commissioners. The CFO may co-sign on such bank accounts. (c) The CFO shall keep accounting records showing all financial transactions of the Authority in accordance with the law, and shall permit inspection of all financial records by any Commissioner at any reasonable time. (d) The CFO shall issue and approve of such vouchers for payment of obligations and make such certifications as shall be required or permitted under the Authority's Purchasing Policy. (e) The CFO shall cause an annual audit of the Authority to be performed by independent certified public accountants in the manner required by Act No. 2, Public Acts of Michigan, 1968, as amended. (f) The CFO shall be the chief investment officer of the Authority and shall advise the Board of Commissioners in respect of an investment policy satisfying the requirements of Act No. 20, Public Acts of 1943, as amended. The CFO shall prepare reports respecting the Authority's investments from time to time but no less often than semi-annually.

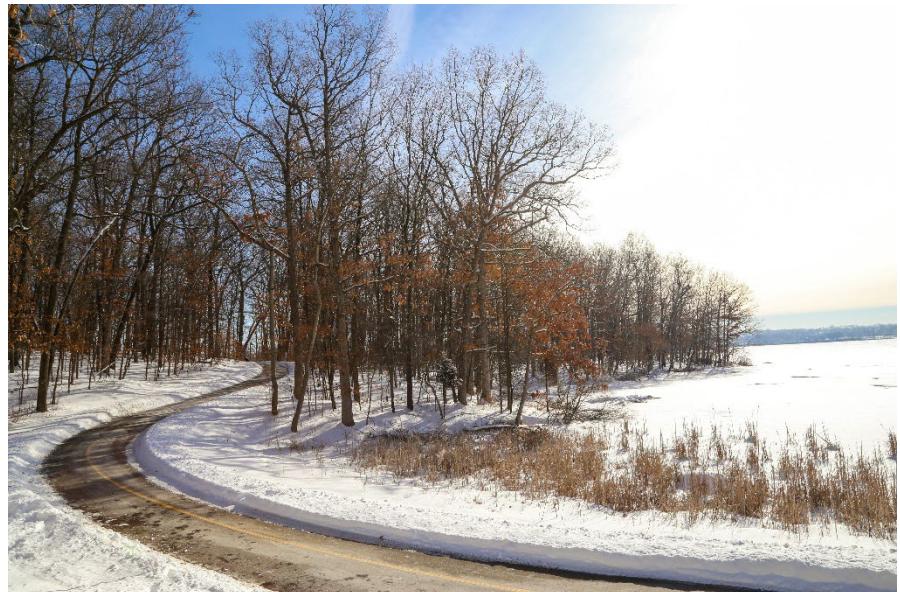

**Core Management Team:**

The Metroparks core management team consists of functional Department Heads and District Park Superintendents. Park operations have been divided into three geographical districts, Eastern, Western and Southern. Each Department Head and District Park Superintendent reports to the CEO and/or COO for direction and guidance.

**Current Department Head/District Park Superintendents:**

Gary Hopp	Eastern District Superintendent
James O'Brien	Western District Superintendent
Jeffrey Linn	Southern District Superintendent

## General Fund Development

The Metroparks fiscal year begins on January 1st and ends on December 31st of each calendar year. The CFO oversees the preparation of an estimate of the General Fund current year operating and capital revenues and expenditures as well as an itemized statement of the General Fund budget year operating and capital revenues and expenditures. The Board of Commissioners shall adopt the budget in accordance with and subject to the requirements of the Uniform Budget and Accounting Act, Act No. 2, Public Acts of 1968, as amended.

The process begins early in the year in conjunction with the all-park districts and departments. These departments utilize input from many sources to itemize and prioritize minor, major maintenance and capital improvement projects for the upcoming budget year. Input is sought from both within the Metroparks staff and Commissioners as well as the user and non-user public. Local, regional and national trends are also considered.

The Finance Department works to provide high level financial projections for both revenue and operating expenditures in developing categorical targets. Factors such as historical trends, contractual obligations and other economic and non-economic factors for broad categories of expenditures are developed. This information is used as guidance for the Departments and District Superintendents to develop their operating budgets for revenue and expense.

Using the September month-end numbers as a base, Department Heads and District Superintendents develop an estimate of the December 31 numbers as well as a budget request for the budget year. The estimated December 31 numbers as well as the transactions making up the budget request are entered into the budget system within the ERP. These un-reviewed numbers are compiled and reported to the Board of Commissioners in November.

Following the November Board meeting, the CEO and staff meet individually with each Commissioner to review the proposed budget. Coinciding or preceding these meetings, the CEO and staff also review the budget requests with park/department staff. Input from these meetings is then used to revise the budget requests.

This proposed budget is then presented at a public budget hearing immediately preceding the December Board of Commission meeting. Following the budget hearing the budget is included on the agenda for the December Board of Commission meeting for approval.

## **2026 GENERAL FUND BUDGET SUMMARY**

The 2026 Metroparks General Fund Annual Budget is more than a financial plan — it's a reflection of how our Board of Commissioners, Leadership Team, and dedicated staff work together to live our mission every day: to bring the benefits of parks and recreation to the people of Southeast Michigan. All the people. All their lives.

This budget shows our values in action. You can see access, commitment, diversity, equity, leadership, and stewardship woven throughout the investments we're making — not as abstract concepts, but as real, tangible programs and improvements that meet people where they are.

You'll see our continued investment and expansion of the Everyone in the Pool Program that removes barriers for families, teaches more people to swim and helps save lives. It's reflected in the partnership with the Detroit Riverfront Conservancy and investment in the Metroparks Water Garden at Ralph C. Wilson Jr. Centennial Park. It shows up as increased support of our Supplemental Science education programs that bring hands-on learning to students across the region. And it's there in the everyday commitments that don't always grab headlines — like maintaining safe, beautiful parks; investing in more climate conscious equipment and practices; strengthening public safety operations; making ADA and universal-design upgrades, ensuring that mobility never stands in the way of enjoying the parks; and managing public resources with the highest level of care.

Taken together, these investments demonstrate an intentional, organization-wide effort. The Board sets the vision, leadership stewards it, and staff bring it to life on the ground, ensuring that everyone in Livingston, Macomb, Oakland, Washtenaw, and Wayne counties can experience the full benefits of their Metroparks.

This document provides both a high-level view and practical insight into how we will carry out the strategies outlined in our Strategic Plan. It illustrates not only what we plan to do in 2026, but why each choice is made — to support inclusive access, strengthen financial sustainability, deliver excellence at every park and drive regional impacts..

## 2026 REVENUES

The total 2026 general fund budgeted revenue is planned at \$71.4 million. Tax revenue continues to provide the majority of Metroparks funding at \$43.7 million with park operating revenue expected to generate most of the remainder at \$25.9 million.

Total revenue for the Metroparks system is anticipated to moderately increase by \$1.8 million (2.5%) compared to the 2025 amended budget. This is the net result of tax revenue increasing by \$1.5 million to \$43.7 million (up 3.6%); other revenue decreasing by \$155,000 (down 8.2%); and park operating revenue increasing by \$383,000 (up 1.5%).

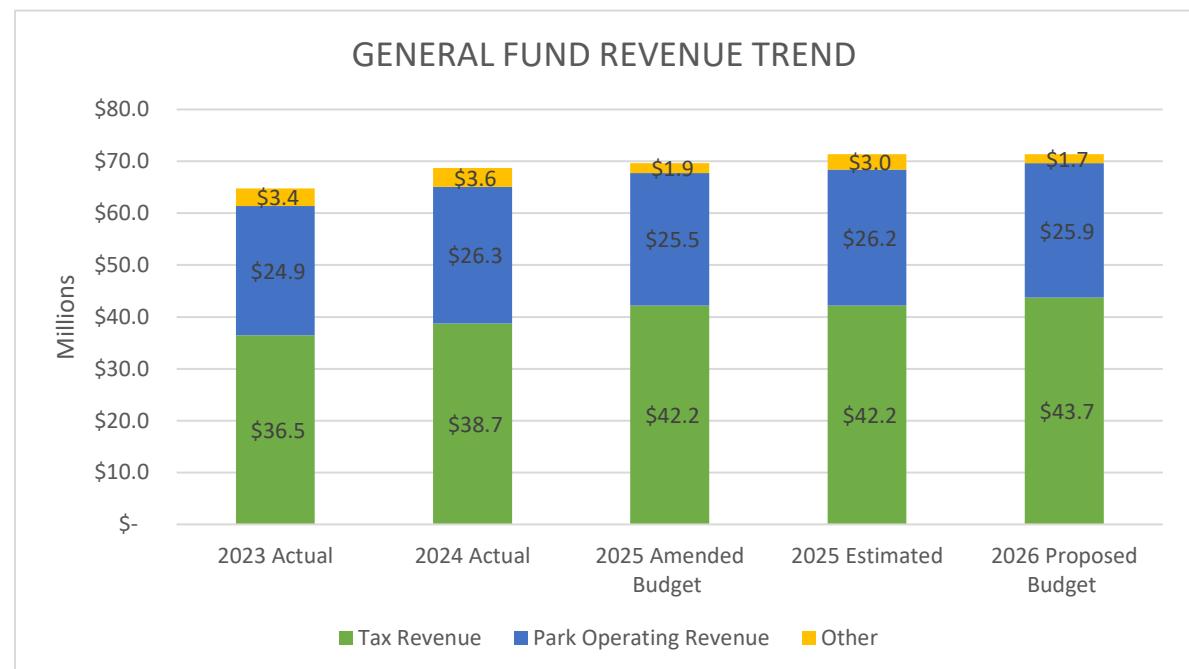

Looking back at the last few years and ahead to the 2026 budget, total revenue has increased by 10% compared to 2023. As the chart to the right demonstrates, this has been a steady climb with increases in tax and park revenue offsetting decreases in the other revenue category.

The budget proposed for 2026 reflects a 0.1% decrease in Golf, along with a 0.3% decrease in tolling. We anticipate that golf revenue will remain flat, given that visitation at our golf courses is approaching full capacity.

Property tax revenue is the source of 61% of all Metroparks funding, resulting in \$43.7 million in expected revenue. In 2026, it is expected to increase by \$1.5 million (3.6%) compared to the 2025 amended budget.

Funding from Foundation Support is reflected partially in operations and partially in administrative office. In an effort to be conservative, only known funding has been included in the budget. It is anticipated that additional funds will be provided to support broader initiatives throughout 2026.

Most of the 2026 budgeted grants are related to Capital Improvement Projects and are reflected in the Capital Project Fund. As additional operating grants develop during the year the budget will be amended to recognize them.

## **2026 EXPENDITURES**

For 2026 we directed staff to base their plans on hours budgeted in 2025. We recognized that pay rates will vary over time, but that most of our core operations utilize approximately the same staffing levels year to year.

Similarly, materials and service budgets were prepared from an actual historical cost basis. We elected to increase the budget for materials and services by 3.0% to offset higher costs.

Overall, the 2026 general fund planned expenditures are 5.8 percent lower than the 2025 amended budget. Budgeted expenditures for administrative office and park operations increased by approximately 8.3% and 4.7%. On the other hand, budgeted expenditures for capital equipment, capital projects, and major maintenance decreased by 19.4%, 42.1%, and 47.2%. The reduction in major maintenance and capital project expenditures reflects a deliberate strategy to preserve fund balance reserves for future years. Total budgeted expenditures decreased by \$445 thousand (0.6%) compared to the projected figures for 2025. It is currently estimated that expenditures will be under budget by \$4.3 million for 2025. The projected 2025 expenditures for capital equipment, major maintenance, capital project fund, administrative office, and park operations will be \$122 thousand, \$1.3 million, \$75 thousand, \$1.9 million, and \$861 thousand lower than the 2025 amended budget. A portion of this variance is related to major maintenance projects that did not begin as planned, along with a lower-than-anticipated payment to the Detroit Riverfront Conservancy.

## PARK OPERATIONS

In 2026, total park operations are expected to grow by 6.7% or \$3.0 million from the 2025 projected total of \$44.4 million. Total personnel costs are expected to grow from \$32.9 million in 2025 to \$33.8 million in 2026. Furthermore, total materials and services costs are expected to grow from \$11.5 million in 2025 to 13.5 million in 2026.

Full-Time wages are up by \$408,563 (3.1%) and Part-Time wages are down by \$356,242 (3.2%). This is reflective of board negotiated wage increases between 2.5% and 3%.

The decrease in part-time wages is related to the inclusion of the part-time seasonal bonus in the 2025 projections and its exclusion from the 2026 proposed budgeted wages. The funds for the seasonal bonus are initially budgeted in the outside services account and then transferred to the related wage account when the bonus is paid.

Costs related to outside services are significantly higher due to the additional funding for the following initiative:

- Part-Time Graduated Seasonal Bonus \$1.5 million

## ADMINISTRATIVE OFFICE

Administrative office expenditures are budgeted to increase by \$3.2 million or 23.0% compared to the 2025 projected amount. The 2026 budget of \$17.2 million is \$1.3 million higher than the 2025 amended budget. The administrative office increase reflects additional funding for current initiatives and a new position for 2026.

Notable initiatives and positions for the administrative office are:

• Engineering Design and Professional Services	\$1,220,000
• Full-Time Marketing Social Media Position	75,000
• Technology Upgrades	88,000
• Staff and Police Training	40,000
• Additional Funding for Growth of Everyone in the Pool Swim Lessons	100,000
• Increased Funding for Recreation Services/Get Out and Play	50,000

The chart to the right provides a summary of expenditure trends at the administrative office by account.

## **MAJOR MAINTENANCE**

Any project with costs in excess of \$10,000 is considered Major Maintenance. For 2026, the Major Maintenance budget includes 23 projects totaling \$1.6 million. This represents a decrease of \$125,294 (-7.1%) compared to 2025 estimated expenditures. There were 3 projects that could not be completed in 2025 due to unforeseen circumstances. Those projects will be completed in 2026 and have been added to the budget.

Significant projects included on the list are:

• Kensington - Dam Concrete Work	\$247,000
• Administrative Office – ADA Initiatives Authority Wide	120,000
• Administrative Office – Climate Action Plan Initiatives Authority Wide	120,000
• Lake Erie – Replacement of Bathhouse Lockers	140,000
• Lake Erie – Replace Shade Structure Canopies at Wave Pool	70,000
• Indian Springs – Park Office Improvements-Siding, Roof, Windows	60,000
• Stony Creek – Golf Tee Repair	60,000
• Indian Springs – Iron Filtration Repair/Upgrade	50,000
• Lower Huron – Demolish Old Park Office	50,000
• Lower Huron – Removal of East Bend Fishing Pier	50,000
• Oakwoods – Drain Repair in Nature Center Bathrooms	50,000

## **CAPITAL EXPENDITURES**

Capital equipment and land acquisition continue to be planned for and tracked within the general fund. The budget for capital equipment decreased compared to the 2025 estimated expenditures by \$570,054 (16.6%).

Some of the more significant items planned to be purchased include:

• Golf Cart Fleet	\$ 640,000
• Mowers (11)	508,279
• Vehicles/Trucks (7)	441,475
• Tractors (4)	330,624
• Utility Vehicles or Utility Carts (11)	248,825
• Police Vehicles (4)	184,000
• Wheel Loader (1)	130,000

Projects which develop tangible assets in excess of \$25,000 are budgeted in the Capital Project Fund for the life of the project. Funding for the projects is provided from the General Fund and that annual support is reflected in this document under Capital Project Fund – Improvement Projects. For 2026, fourteen new projects have been identified. These projects total \$8.7 million. An additional \$500,000 is expected to be available from various granting agencies leaving the net funding needed from the General Fund at \$8.2 million. We will continue to pursue funds in 2026 to assist with capital projects.

Approximately \$577,649 of Engineering wages and benefits are included in the General Fund for support of capital projects. These wages represent both staff and field engineers. As the wages are spent, the costs will impact the Capital Project Fund directly and the budget amounts will need to be transferred to cover actual expenditures throughout the year. This process is consistent with our current methodology.

Significant projects included are:

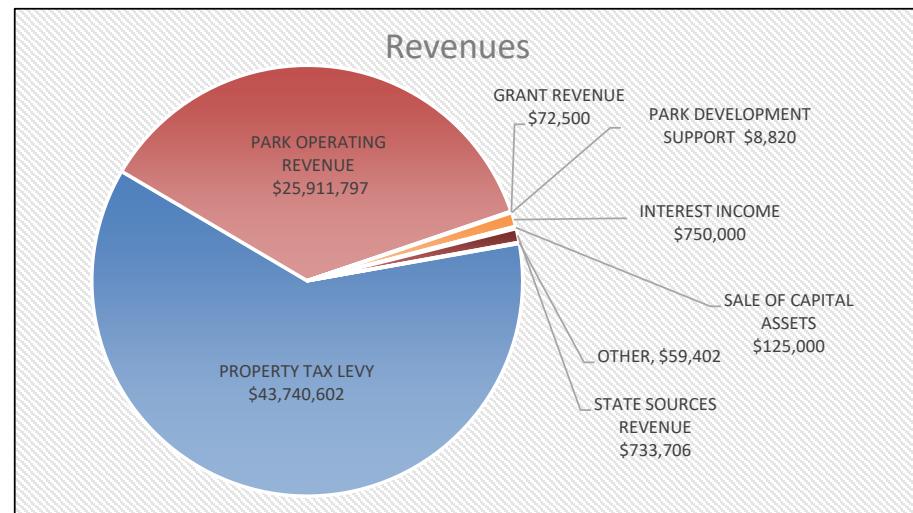

• Lake St. Clair – North Marina Comfort Station – Net \$500,000 Anticipated Grant Reimbursement	\$3,000,000
• Lake St. Clair – Replace & Repair Pool, Decking & Restrooms	2,000,000
• Stony Creek – South Dam Embankment Rip Rap	800,000
• Kensington – Bike Path Retaining Wall Repair	600,000

In all, the 2026 Metroparks General Fund Budget positions us to carry this shared mission forward — aligning the resources entrusted to us with the goals laid out in our Strategic Plan, ADA Transition Plan, Climate Action Plan, and Park Master Plans. It reflects the collective work of our Board, leadership, and staff to ensure that every investment strengthens access, enhances safety, protects our natural spaces, and supports exceptional experiences in every park. Most importantly, it reaffirms our long-term commitment to the people of Southeast Michigan — providing welcoming places to explore, learn, and recharge today, while safeguarding these irreplaceable resources for all, for generations to come.

## REVENUE SOURCES

The Huron Clinton Metroparks receive revenue support from seven main sources. These resources are highlighted below from largest revenue stream to smallest. Total revenue for 2026 is \$71,401,827.

### ❖ Property Taxes

The single largest source of revenue for the Authority is derived from the ad valorem property tax levy within the five-county park district. In June, the Board of Commissioners approved the 2025 tax rate of .2050 mills (reduced by Headlee override) upon each dollar of state taxable valuation. This is the ninth year the rate has decreased since the 2006 budget. As mentioned previously, the authority will not recover (increase) from this millage rate due to Proposal A, which caps future taxable growth to the lower of the rate of inflation or 5%. The inflation factor for 2025 taxable values was 1.031%. This tax will be levied in December 2025 and will provide funding for the 2026 Authority capital development and park operations.

In 2008 the Board of Commissioners approved a process to estimate the amount of “captured” tax revenues that results from the large number of tax abatement programs throughout the counties and adjust the amount of revenue expected to be received. At the end of the year, when final settlement figures are forwarded to Huron-Clinton Metropolitan Authority by the counties, any necessary adjustments to the estimated amounts of locally captured taxes will be made. The Metroparks net tax levy for 2025 of \$43,740,602 represents a 4.45% increase from the 2024 net tax levy of \$41,876,642.

COUNTY	TOTAL 2025 TAXABLE VALUE	HCMA 1/4 MILL LEVY (0.00025)	HCMA REDUCED TAXABLE VALUE (0.0002050)	EST. WRITE OFF DUE TO TAX ABATEMENT PROGRAMS	HCMA EST. LEVY TO BE COLLECTED

❖ **Park Operating Revenue**

Fees and charges implemented by the parks throughout the Authority total a proposed \$25,911,797 for the 2065 budget. Examples of park activities that generate revenue are golf, tolling, aquatics, interpretive programs, boat rental and many others. This is a \$264,492 decrease from the 2025 projected park operation revenue. Park fees and rates for activities, rental spaces, etc. will remain consistent with the 2026 approved rates.

❖ **Grant Revenue**

The amount shown in this category represents money the Authority will be receiving from an outside agency to help fund specific projects within the general fund. Grants that have been approved and granted by both the external granting organization and HCMA Board of Commissioners are put into the budget. There is \$72,500 proposed for 2026.

❖ **Interest Revenue**

Interest Income derived from investments in Certificates of Deposit and U.S. Agency issues are projected to produce \$750,000 in 2026. Interest rates have been steadily increasing throughout 2025. The amount budgeted for 2065 reflects a conservative estimate based on this.

❖ **Sale of Capital Assets**

Annually the Authority has an auction in an effort to liquidate obsolete or unneeded equipment. The portion of the auction proceeds that is generated by capital equipment is projected to produce \$125,000. Revenue from non-capital auction items is recorded elsewhere.

❖ **State Sources**

Beginning in 2016 the state of Michigan implemented a phased elimination of certain personal property taxation. The legislation also included a mechanism to reimburse government agencies for some portion of revenue lost due to the change. The Metroparks initially included these reimbursements with property tax revenue. Beginning in 2019 the funds were appropriately reflected in revenue from State Sources. For 2026 the reimbursement amount is budgeted at \$733,706.

❖ **Other**

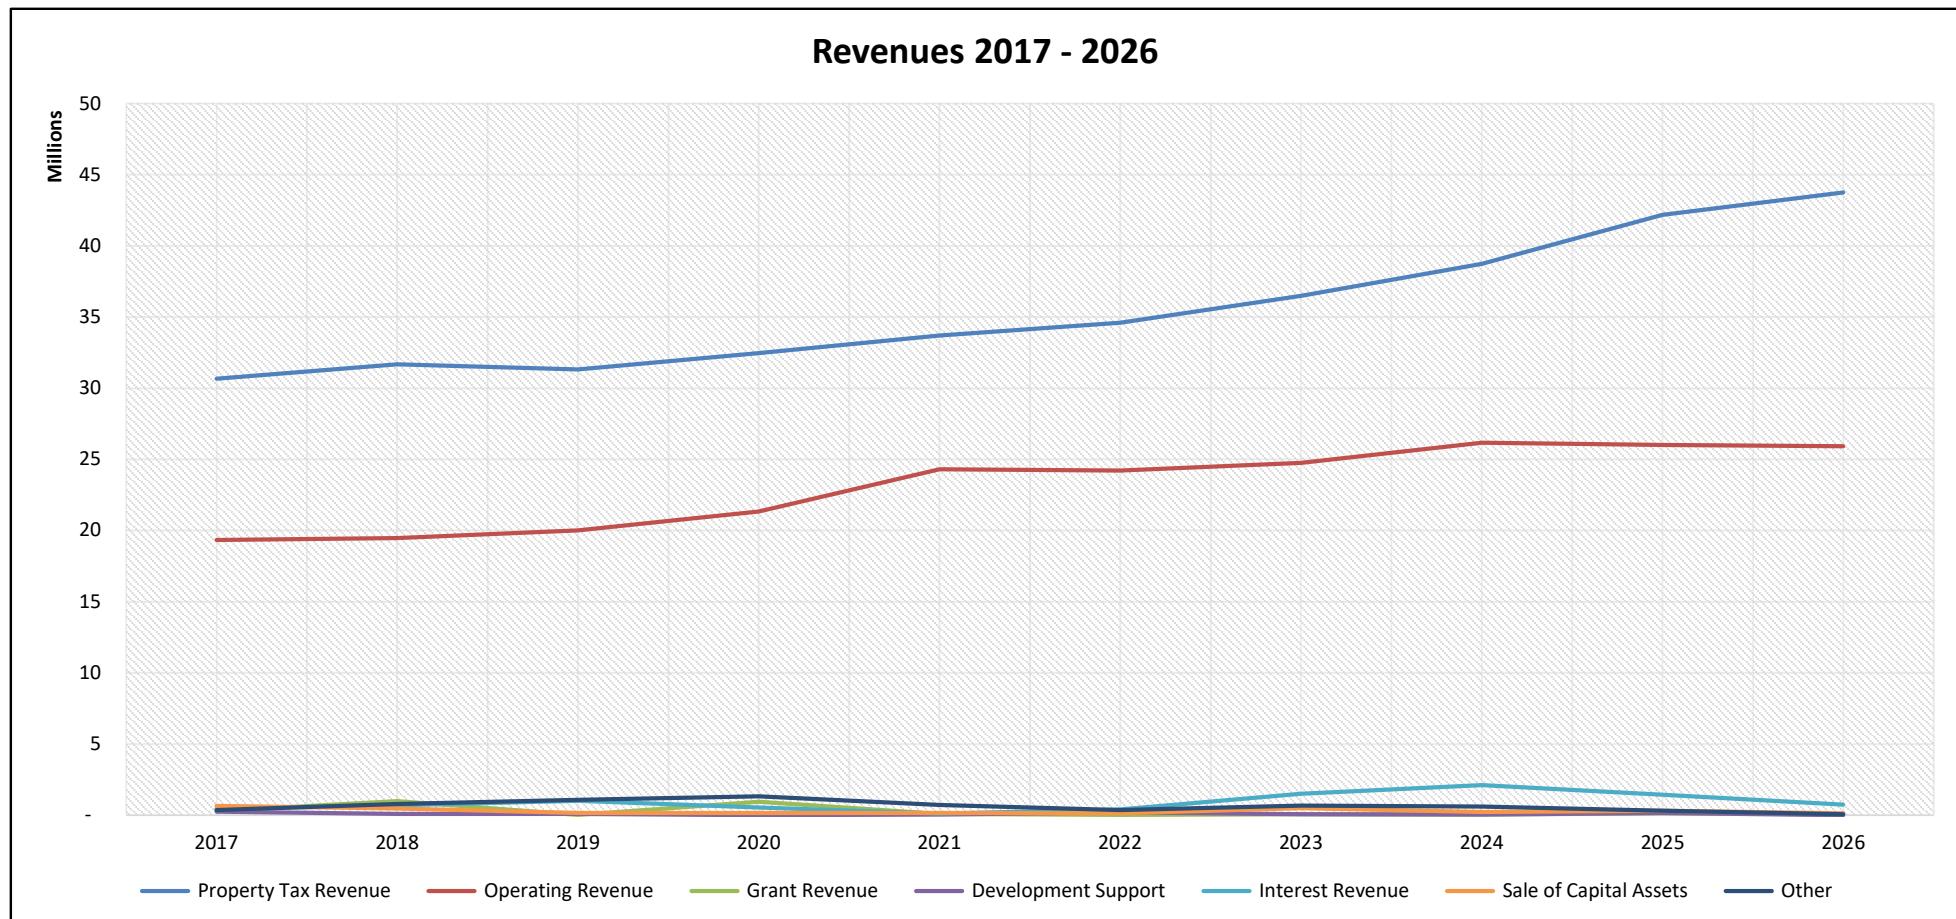

This revenue source represents one-time or unusual payments as well as the proceeds of sale of non-capital surplus. Past examples include insurance settlements, rate stabilization payments and other similar items. There is \$68,222 proposed for 2026.

## **EXPENDITURES**

The Huron Clinton Metroparks general fund expenditures can be broken down into four main categories which include Park Operations, Administrative Office, Major Maintenance and Capital. Capital expenditures can be further categorized as – 1. Equipment purchases 2. Land acquisition and 3. Capital Project Funding. Total budgeted expenditures for 2026 are \$77,215,053.

### **❖ Park Operating**

Expenditures within park operations can be classified as either personnel services or contractual services. Personnel services includes wages and other related fringe benefits. Contractual services include all other types of expenditures. The proposed 2026 expenditure budget for park operations is \$47,318,264. This represents an increase of 6.69% over the 2025 projected expenditures.

Key factors affecting this budgeted increase include the following:

- Increase in the part time wages
- Increase of full-time wage scale at the contractual rate of 3%
- Increases in outside services, employee development, memberships, and equipment fuel increased contractual services by 18%

### **❖ Administrative Office**

General administration expenses reflect the cost of running the Authority's centralized Administrative Office (AO), which covers full & part time employees, materials, supplies, and outside consultants utilized in managing the entire Metropark system. The AO has a proposed 2026 expenditure budget of \$17,155,243. This is an increase of 22.9% under the 2025 projected expenditures. This includes one new full-time position, various consulting expenses, and Board-approved wage increases, which together contributed to the percentage change. The shifts between park operations and administrative office accounts in the natural resources and police departments offset each other.

### **❖ Major Maintenance**

The Authority classifies all non-recurring repair/maintenance type projects that exceed \$10,000 as Major Maintenance expenses. These projects do not substantially improve or alter an existing facility and, therefore, are not capitalized. During 2026, Metropark major maintenance projects are projected to cost \$1,632,644.

**EXPENDITURES-continued****❖ Capital**

1. Equipment – Any equipment having an individual value in excess of \$5,000 is capitalized. 2026 budgeted capital equipment purchases total \$2,866,253. One of the priorities of the Metroparks for 2026 is to address a backlog of deferred capital equipment replacements. Some major equipment purchases expected during 2026 include:

<b>Park</b>	<b>Equipment Description</b>	<b>Amount</b>
Kensington	Golf Cart Fleet	\$ 640,000
Natural Resources	Compact Track Loader	\$ 130,000
Lake Erie	Truck, Ford Flatbed	\$ 113,000
Kensington	Mower	\$ 111,825

2. Land Acquisition – This reflects the amount spent on acquiring land for the Authority. No land acquisitions are anticipated for the 2026 fiscal year.
3. Capital Project Funding – The transfer will cover the projects in the Capital Project Fund (CPF) that exceed the Authority's \$10,000 capitalization limit. Throughout 2026, the Authority is proposing to provide the CPF with \$8,242,649 of net funding to use on capital improvement projects. Funding is also anticipated from grants of \$500,000. These projects enhance the Authority's recreational facilities offered to the public in terms of park roads, hike/bike trails, parking lots, buildings, utilities, landscaping, golf courses and other improvements. Some of the more significant projects for 2026 are:

<b>Park</b>	<b>Project Description</b>	<b>Amount</b>
Lake St Clair	North Marina Comfort Station	\$ 2,500,000
Lake St Clair	Replace & Repair Pool	\$ 2,000,000
Stony Creek	South Dam Embankment Rip Rap	\$ 800,000
Kensington	Bike Path Retaining Wall near Shore Fishing	\$ 600,000
