

PUBLIC HEARING
Land and Water Conservation Fund and Michigan Natural Resources
Trust Fund Applications

Huron-Clinton Metropolitan Authority

March 12, 2026

Administrative Offices, 13000 High Ridge Drive, Brighton, MI 48114
12:30 pm

1. Call to Order

2. Chairperson's Statement

3. Motion to Open Public Hearing

4. Grant Application Overview – Janet Briles, Chief of Planning & Development
 - a. Lake Erie Metropark Bathhouse Renovation (LW26-0003) – Lake Erie Metropark located at 32481 West Jefferson Avenue, Brownstown Township, MI 48173. The proposed project would renovate the existing restrooms, lockers, and showers at the existing bathhouse using universal design principles to improve accessibility for pool visitors.
 - b. Lake Erie Metropark Fish Cleaning Station Development (TF26-0009) – Lake Erie Metropark located at 32481 West Jefferson Avenue, Brownstown Township, MI 48173. The proposed project would develop a fish cleaning station at the boat launch area, and add accessible picnic tables, walkways, and parking using universal design principles to improve accessibility for anglers and boat launch area visitors.

5. Public Participation

6. Motion to Close Public Hearing

Note: *Action on grant applications will be taken during the regular meeting of the Board of Commissioners following the public hearing.*
